Are there any options for early in the day or late in the day? I work a day job in Boston during the day. Thanks!

Hi everyone,

It seems Thursday, May 16th works for most people. Would a meeting at 11 am at the Mayor's Office work for everyone?

Best,

Ana

Thank you Ana,

May 16th would work best for me. I am also available the May 3rd, but not April 24th unfortunately. What are the options for the times of day?

Best,

Thank you Wil, greetings Taha,

We look forward to getting together for an initial meeting.

Ana, let do let us know some possible dates that would work for your colleagues.

Thanks all!

Ultimately, it might be a good idea to hold a discussion in the Council Committee on Neighborhood and Long-Term Planning, and Public Celebrations, but an initial meeting would be helpful.

meeting, but we never heard back. (See our correspondence below)

Could we try to get a date scheduled to meet with the mayor's office sometime this month? I know October is actually right around the corner when it comes to planning city-wide events.

Thank you!

holiday. Some of us had been in touch last fall but it did not work out at the time to convene a meeting in this regard.

Would it be possible to convene such a meeting to talk about how Cambridge could celebrate Indigenous Peoples Day? I am cc:ing Raquel Halsey from NAICOB (North American Indian Center of Boston) and Danielle DeLuca from Cultural Survival in Cambridge as their organizations as well as mine would be integral, but certainly there are many others who should be asked to be at the table in the future.

Thank you!

Sincerely,
